

**COMPUTER SCIENCE SUCCESSES  
IN UCC LICENCES 2010 AWARDS**

Computer Science at UCC is an exciting and dynamic department, and a major contributor to UCC's success in terms of attracting research funding, partnerships with industry, and achieving a high international profile. This was evidenced once again at the recent UCC Research Commercialisation 2010 ceremony, where several members of Computer Science staff received Commercialisation Awards for both Licences and Licences to Start-Ups, as follows:

<b>Lead Principal Investigators</b>	<b>Licence</b>	<b>Licence To</b>
