

CS1115/CS5002 Web Development 1 - Lab sheet 2 - Informal feedback

Key to comments

(1)	Didn't validate
(2)	Indentation could be better
(3)	sections/articles within main are not correct
(4)	Some or all <li>s within your <nav> are not clickable
(5)	© or ® or ç should be &copy; or &reg; or &ccedil;
(6)	<footer> ideally contains <p> and <small>
(7)	Several problems with <em>, <strong>, <b> and/or <i>

57700729	-	No work submitted.
106412076	A	Near-perfect! Well done.
108106355	-	No work submitted.
111377016	B	(2)(4) + you've no <header> and no <nav>. Otherwise, good.
113542767	B	(1)(4)(6). Otherwise, good.
114303891	A	Perfect! Very well done.
114332736	A	(6). Otherwise, excellent.
114558573	F	Substantially incomplete.
116709189	A	(2)(4)(6). Very good.
117223563	F	Substantially incomplete.
117343896	C	(1). Shame it doesn't validate because excellent otherwise. If using h1, h2,..., don't skip any (you've skipped h1).
117385186	B	(2)(4)(5). Otherwise, good.
118100055	A	You should have used two <p>s, rather than  s. Otherwise, excellent.
118100228	E	(1)(3)(4)(5)(6) + you've no <header> + don't put width and height on images in HTML + no need for the <div> + you need <articles> + don't use  s + you are using a tag <h>, which does not exist + your table is after your </main> + ...
118100268	-	No work submitted.
118103805	E	(1)(2)(3)(4)(5)(6)(7) + You've no <header>, no <section>s, no <article>s. You shouldn't be using <div>, nor  . You have misunderstood the exercise - the goal was to choose the right tags, not just to make the HTML look the same as the PDF.
118104168	-	No work submitted.
118104178	E	(1)(2)(3)(5)(6)(7). You need <section>s for each month + you do not need the  s.
118104188	C	(1)(2)(3). Your articles and section are the wrong way around.
118105660	C	(2)(3) - your use of <section>s/<article>s is not right.
118105776	C	(1)(2)(4)(5) + you're confusing <head> and <header>.
118105825	-	No work submitted.
118105847	C	(1)(2)(4)(7).
118106110	-	No work submitted.
118106766	E	(2)(3)(4)(5)(7) + you've no <header> + you've <article> instead of <nav> + you have <section>s that only contain only an <h1>, which is not the right thing to do + you're using <p>&<b> where you should be using <h1> +...
118106846	C	(1)(3)(4)(5). You need to put each month' stories into <section>s.
118106969	C	(2)(3)(4)(6). This web page needs <article> inside <section>s, not <section>s inside <section>s.
118220404	A	(2)(4). Very good.

118224019	A	(2)(4). Otherwise, excellent.
118224216	B	(2)(4) + you're over-fond of <footer>s + don't put <strong>s into <h1>s. Otherwise, good.
118224618	E	(1)(2)(3)(4)(5)(6)(7) + you're confused about <head> and <header> + you're using <b>/<em> where you should be using <h1>. Quite a bit adrift.
118224980	E	(1)(2)(3)(4)(5)(7) + ... Needed more effort: quite adrift.
118225215	E	(1)(2)(3)(4)(5)(7) + your <section>s/<article>s are adrift, inc the way you wrap the last new story into the footer.
118225325	B	(2)(4)(5) + too many ids + one of your ids is very peculiar. Otherwise, very good.
118226079	A	(2)(4). Otherwise, excellent.
118227292	D	(2)(3)(4)(5)(7) + you need <article>s inside <section>s + your <h2> are in the wrong place + your <table> should be part of the previous story + ...
118300351	D	(2)(3)(4)(5) + you've no <header> + your sections/articles are all messed up + don't using <strong> inside <h1><h2> etc.
118300721	C	(2)(3)(5) – you needed some <article>s.
118320863	F	(1)(2)(3)(4)(5). This is not really a finished piece of work.
118322656	E	(1)(2)(3)(4)(5). You've no <section>s, no <article>s. Your <main> comes too late.
118332823	E	(1)(2)(3)(4)(5)(6) - roughly speaking, you have articles & sections the wrong way around + but also your placement of the table and the last story are not correct + ...
118334061	E	(1)(2)(3)(4)(5) + no header, no sections/articles + using strong where you should be using h1 + ...
118334496	F	(1)(2)(3)(4)(5)(6) + don't put width/height on images in HTML + the nav nested list is not like the one in the PDF + no real attempt to do the structure of the document: main, sections with articles inside them. It's not really complete.
118335541	C	(2)(3)(4)(5) - you need some articles
118346591	A	(2). Otherwise, excellent.
118351621	D	(1)(2)(3)(4)(5)(6). Your sections/articles are quite adrift.
118356771	A	(6). Otherwise, near-perfect. Excellent.
118359221	C	(3)(4)(5)(6). The months should be <section>s not <article>s + the last story should be part of the section for the last month.
118361146	-	No work submitted. (Permissions wrong).
118364536	E	(2)(3)(4)(6) + your <main> is in the wrong place + you don't need to put <header> in a section, nor a section in the nav + because you're using <b> where you should be using <h1> + ... This is a long way adrift.
118365721	-	No work submitted.
118366266	C	(2)(3)(4)(5) + no header + you need articles + if using h1, h2,..., don't skip any (you've skipped h1) + the last story should not be an aside.
118366933	D	(2)(3)(4)(5)(6) + you've no <main> + you are using <b>s where you should be using <h1>
118368853	E	(1)(2)(3)(4)(5). Your sections/articles are adrift + you are using <b>s where you should be using <h1>s.
118370443	F	Substantially incomplete.
118375936	E	(1)(2)(3)(4)(5)(6). You need to think about sections/articles.
118376886	D	(2)(3)(4)(6) + no header + you need articles in sections + you're using <b>s when you should be using <h1>s.
118377121	D	(2)(3)(5)(6)(7) + the image should probably be in the header + your sections/articles are quite adrift - some of your sections only contain headings, which is not the right way to use them.
118377843	A	Near-perfect! You needed two <ps>, not  s. Well done.
118380396	-	No work submitted.

118388951	E	(2)(3)(4)(5)(6)(7) + figure should be in header + you don't need <b>/<strong>s inside <h1>s + your <table> is after </main> + there shouldn't be an <aside> + ...
118391801	-	No work submitted.
118392033	C	(2)(3)(6)(7). You need <article>s for each new story. <small> is for legalese, not for every h1/h2/etc.
118392816	E	(1)(2)(3)(4)(5)(7) + no header. Quite a bit adrift.
118397813	D	(2)(3)(4)(5). Your use of sections & articles is adrift. Your <h1>s should be inside sections/articles. And often you are using <header>+<strong> when you should be using <h1>
118408492	B	(1)(2)(4). Otherwise, good.
118410552	D	(2)(3)(4)(6)(7) - you need <article>s + you're using <b> where you should be using <h1>s
118410722	C	(2)(3)(5) + the use of <pre> was very mistaken + you've some rogue text in there that causes non-validation + some of your sections contain just an h1, which is not great (sections group together stuff).
118411502	-	No work submitted.
118419216	-	No work submitted.
118423134	D	(2)(3)(4)(5)(6)(7) + you're using <strong>s when you should be using <h1>s + your sections/articles are adrift inc the placement of the <table> +...
118425746	C	(2)(3)(5)(7)
118429092	D	(2)(3)(4)(5) + missing a lot of <i>s + you are using <b> where you should be using <h1> + you need <article>s + you need a footer + ...
118431846	B	(2) + you've a <p> that should be within the preceding <article> + the last story should be an <article> within the last <section>
118433454	A	(2)(5). Excellent.
118453276	A	(2) + some cheese names using <em> instead of <i> + </p> in wrong place in your second <nav>. Otherwise, excellent.
118454356	A	The last story should have been an <article> inside the third section. Otherwise, excellent.
118456712	C	(2)(4)(5) + you've no header + your table should be part of the previous article + use <small> in footers for legalese
118457552	D	(2)(3)(4) + you've no sections/articles + you're using <b> where you should have <h1>s + your </main> comes too early + ...
118459412	-	No work submitted.
118465626	C	(2)(4)(7) + the table needs to be inside the previous article + the last story needs to be in an article within the last section.
118466104	C	(3)(5)(7) + no header, no main.
118470964	-	No work submitted.
118476266	-	No work submitted.
118476662	C	(3)(4)(5). Your use of sections & articles is considerably adrift.
118478994	E	(1)(2)(4)(3)(4)(5)(6)(7) + you're using p+b for what should be h1s + you've not divided the main into sections/articles + the last story should not be in the footer +...
118483276	-	No work submitted.
118485794	-	No work submitted.
118489652	A	Near-perfect! Well done.
118489666	E	(1)(2)(4)(5)(7) + your placement of the table and the last story are not right + your placement of h1 inside sections/articles is not right
118495052	A	(1) due to <body instead of <body> + you could use <small> in the footer. Otherwise, excellent.
118512266	F	(1)(2)(3)(5)(6)(7) + the nav nested list is not like the one in the PDF + you're missing a lot of <i>s + your second <header> is a mistake + ...
118710061	-	No work submitted.

118720535	E	(1)(2)(3)(4)(5)(7) + header not done right + no sections/articles + stuff about the new web site should not be in the footer + ...
118727715	D	(2)(3)(4) + you don't need a section class="head" when you have <header> + if using h1,h2,..., don't skip any (you've skipped h1) + you've no sections/article + you've these enormous <a> tags (which suggest you've misunderstood something) + the story about the new web site should not be in the footer.
118740029	C	(2)(3)(5) - you need some <sections> for each month's stories
118743625	C	(3)(5) + you need sections and articles, and your headings (h2 etc) need to be inside the sections/articles, not outside + you use <em> instead of <i> for some cheese names.
118755539	C	(1)(2)(4)(5) + many of your <strong>s should be <h1>s.
118765049	E	(1)(2)(3)(4)(5) + you're using <p>&<b> where you should be using <h1>s + you need <article>s + numeric id's are not the best approach + ..
118773879	-	No work submitted.
118775739	-	No work submitted.
